pdf       tiff

### 2. Required measuring element type:

(Please check)

01 | | 01

01 | | 01

**Special Element  
Encoded**

**Special Element  
Old version, not encoded,  
can also be used with LUCHS II/III**

per element  
100 €

per element  
100 €

### 3. Special Element Encoding:

(Please check)

The scope of delivery of a Luchs Register Measuring System with the “Special Measurement” option includes the four special elements with the codes 1 through 4.

1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	

### 4. Price (plus VAT):

The price per order form results from the required measuring element type price from point 2 multiplied by the number of encoded measuring elements.
