## Press Release

### Technical Symposium 2024

#### In Conjunction with the Annual General Meeting of the POLYGRAPH Leipzig Association

The POLYGRAPH Leipzig e. V. association, together with the Sächsisches Institut für die Druckindustrie (SID) and Polygraphische innovative Technik Leipzig (PITSID), is organizing a symposium on 15.11.2024 as part of its annual general meeting.

The association supports the institute and is also a shareholder of PITSID GmbH, which offers various measuring and testing devices for the graphic arts industry and mechanical engineering.

The symposium offers you the opportunity to listen to technical presentations on current topics in the graphics industry, supported by renowned guest speakers.

Research projects as well as devices and technologies developed at SID will be presented to you through a product and technology showcase with practical demonstrations.

You will also have the opportunity to take a guided tour of the institute and its laboratories and facilities.

All interested parties are cordially invited to this event.

Participation in the symposium is free of charge.

Registration is requested.
