The INGEDE Symposium 2025
will take place on 25. and 26. February in Munich

Leipzig, 20.12.2024

Your contact person:
Titus Tauro

Extension -45

The future is green:
All printed products become recyclable.
All printing inks become deinkable.
All adhesive applications become removable.
All **packaging** becomes sortable.

Future begins now:
INGEDE Symposium 2025 in Munich
on **February 25/26, 2025** (also online)
All about paper for recycling, fibre based
packaging, sorting, recyclability, PPWR ...

**More information
and registration**
www.ingede.com

The next INGEDE Symposium has the headline "Paper for recycling, new packaging, and Design for Recycling: What is recyclable and what is not?".

It will take place at the end of February 2025 in Munich and promises to cover all about paper for recycling, fibre based packaging, sorting and recyclability. INGEDE is the International Association of the Deinking Industry.
